What is Lotto Magic?

We are a member benefits club.

What does that mean?

That you will receive special benefits by being a member of Lotto Magic. Unique benefits that you will not find available anywhere else.

Hi, my name is Richard Moore and I started Lotto Magic back in January 1996. We are a member of our local Chamber of Commerce and you will find all of our contact information on the page to the left. We are real -- we do not hide behind a post office box.

In this booklet, first you are going to learn about the benefits you receive for your monthly membership fee.

**You will also learn that you will receive
FREE lottery tickets that could make
you a millionaire next month!**

You will also find out how you can earn extra money by sharing our club memberships with others. You do not have to do this -- it is your option.

If you have any questions when you are finished reading our club membership booklet, please contact us by any of the methods listed on page 2.

Club Membership Benefit #4

FREE lottery tickets in the Florida LOTTO!

Wow, these benefits just keep getting better and better, don't they???

All active club members will receive one lottery ticket for every drawing for one month in the Florida LOTTO. An active member is one who has paid their monthly membership fee.

The Florida LOTTO has one of the most lucrative lottery drawings in the U.S. and you will have a ticket for each Wednesday and Saturday night drawing for each month that you are an active member.

There are two different memberships in Lotto Magic.

The first is the Team Player. We place all of our Team Players on "teams" and use a sharing method. You will receive 10% of any ticket winnings as well as 10% of the ticket winnings of any of the

7 other members that we place on your team with you.

This means that you will receive 10% of the ticket winnings from 64 to 72 lottery tickets each month. We calculate this by multiplying the 8 or 9 drawings that there are each month in the Florida LOTTO times the 8 total members on each team -- you plus the 7 members that we give to you.

You could be a millionaire next month!

“Team Players” receive all of the club benefits that we have shared with you so far for **only \$25.00 per month!**

- You will receive a lifetime of FREE 3-day 2-night hotel rooms for your next vacation.

- You will receive discounts on entertainment, theatre, sporting events, shopping, gifts and more through our partner -- Working Advantage™.

- **PLUS, most exciting of all, you are going to have 64 to 72 chances each month of becoming a millionaire!**

Our incredible system of pooling our team members together increases your odds of winning a lottery jackpot tremendously!

Plus our custom designed computer program selects your numbers for you and eliminates number combinations that have never come up, such as “1, 2, 3, 4, 5 and 6”.

Since it is against postal regulations to mail lottery tickets through the mail, we purchase your tickets

for you and keep them in our fireproof safe. We send you a report each month that informs you of your lottery ticket numbers as well as the other club members who are on your team.

But wait... it gets even better!!!

Club Membership Benefit #5

Earn money by sharing our club with others!

Our club membership gets even more exciting if you decide to join as a **Team Captain**. This optional membership costs \$50.00 per month and Team Captains receive the first three benefits that our Team Players do, **PLUS** they get to **earn commissions** by referring other Team Players and Team Captains who join Lotto Magic.

Team Captains do not receive a team of 7 other members automatically as Team Players do, however, they are able to build an organization and share in the winnings of hundreds -- even thousands -- of lottery tickets.

First, Team Captains earn \$5.00 per month from each Team Player that joins Lotto Magic from their referral. They receive \$23.00 per month from each Team Captain they personally enroll into Lotto Magic plus \$2.00 for each member that appears in their 5-level income plan.

And they receive 10% of the ticket winnings of every single Team Player or Team Captain that they get to join Lotto Magic!

We have members that are sharing in the winnings of hundreds of lottery tickets each month by sharing our club with others.

Let's look at an example of how your 5-level pay plan looks:

Each member that you place in the 5-level pay plan earns you \$2.00 PLUS the \$23.00 enroller bonus. If another members places a Team Captain in your organization you still receive the \$2.00 enroller bonus. Let's look at an example if everyone who joined Lotto Magic enrolled 5 members and then stopped -- and each new member did the same. Here is what your organization would look like when completed:

Level	Members	\$\$\$	Total
1	5	\$10.00	\$10.00
2	25	\$50.00	\$60.00
3	125	\$250.00	\$310.00
4	625	\$1250.00	\$1560.00
5	3125	\$6250.00	\$7810.00

After your pay plan is filled 5-wide, you would be earning \$7,810.00 per month in income -- **that's almost \$100,000.00 per year!** Plus, you would be earning an additional \$23.00 per month for each member that you placed in this organization. If that was only 5, you would be earning an additional \$1380.00 per year!

And that's if everyone only enrolled 5 members. You are not limited to only 5 per level, so why stop??? You could have 10, 15, 20 or as many as you want on your Level 1 -- and so can each of your members!

But what about lottery ticket winnings???

Team Players earn 10% on their own personal ticket winnings as well as 10% of the ticket winnings of the 7 members that Lotto Magic places on their team.

Team Captains in Lotto Magic keep 50% of their ticket winnings -- plus they receive 10% of all ticket winnings in their 5-level pay plan. In our example on the previous page, you would be receiving 10% of all the members' ticket winnings on Levels 1, 2, 3, 4 and 5 -- **that's 10% of the ticket winnings on 3,905 tickets IN EACH DRAWING!**

There are 8 or 9 drawings each month, so you would be receiving 50% of your tickets winnings PLUS 10% of the **ticket winnings of 31,240 to 35,145 tickets each month!**

There is nothing like this available anywhere!!!

Again, our example is showing a "5-wide x 5-deep" club membership organization. You can go as wide as you want because of our "unlimited" width pay plan!

Both Team Players and Team Captains receive our first 3 benefits. Team Captains are the only members who earn commissions from membership referrals. You can upgrade from a Team Player to a Team Captain at any time.

How difficult is it to make money by referring new members to Lotto Magic?

Well, I will let one of our members share that with you herself. Read what this 67-year-old grandmother from Ohio has to say:

“Wow! I made over \$4,400 last month and didn’t even budge from my chair! It’s just amazing that my income keeps growing like this. This system gives me the best odds of hitting a jackpot and when I do, it will just be the icing on the cake!”

-- Alice P, Ohio

We have many different methods for you to use to start earning commissions like Alice is. When you join, you will receive a Marketing Tips and Strategies booklet that shares the successful methods that our members are using including:

- local telephone surveys
- handing out business cards
- mailing postcards
- classified advertising in local papers
- marketing through the internet

Anyone from 18 to 88 can make money!

Here's what some other members are saying...

We have been with Lotto Magic since its very beginning in January 1996. Their reports and checks are on time and all our ticket winnings have been reported to us accurately. If this wasn't a club that could be trusted, we would not have been members for over 11 years!

— *David & Susan R., Laughlin, NV*

I joined **Lotto Magic** in January 1996. I don't have time to analyze lottery numbers, wheels, systems, histories, combinations, hot numbers and other things that go with lotteries. That is the reason I joined **Lotto Magic**. They do it for me. And the best part... I have been playing the lottery for **FREE** for years through Lotto Magic!

-- *Debbie G., Ft Walton Beach, FL*

We joined **Lotto Magic** in November 2001. By August 2002, our monthly check was more than our combined Social Security retirement checks! The folks at **Lotto Magic** can be depended upon to get your commission checks out on time -- and that's important to someone who is retired. We love **Lotto Magic!**

-- *Gene & Elaine C., Raytown, MO*

Simply by telling other people about **Lotto Magic**, I've developed a group of fourteen people. If any ONE of us wins, we ALL win -- and I won \$122.00 - which means I am playing for FREE!!! My potential gain is one million dollars, or more -- yet my risk is absolutely nothing! It sure looks to me like it's foolish not to join **Lotto Magic**. This isn't hype -- it's just common sense.

-- *Bruce T., East Hampton, CT*

Are lottery clubs and pools legal?

Yes. States with lotteries recognize lottery clubs and pool playing. **Lotto Magic** does not sell lottery tickets. Only retailers who have been contracted by the Florida Lottery Commission are authorized to sell tickets. **Lotto Magic** promotes lottery club play with our computerized system to enhance our club member's chances of winning. If there are no lotteries in your state, this may be your only way to play the lottery.

Doesn't the United States Postal Service have rules regarding lotteries?

Yes, several are in the US Code. **Sec. 3005** regarding lotteries has been on the books for about 50 years. It was written to prevent people from starting their own lotteries. **Lotto Magic** is not conducting a lottery -- we are merely a club playing the Florida lottery. Another statute frequently referred to is **Sec. 1302 - Mailing lottery tickets or related matter**. We do not mail any lottery tickets or Florida lottery materials through the mail.

How do I find out what numbers you are playing for me?

You will receive a welcome letter that will have your numbers on them. Each month you will also receive a report that shows the previous month's winning numbers, your team members and their lotto numbers, your enroller bonuses, commissions, and winning ticket profit sharing. Your account balance will be shown as well as how much money is needed to renew your club membership for the next month. Winning numbers can be verified on the internet at www.flalottery.com, the official website of the Florida State Lottery.

Can you guarantee any winnings?

No. With all state lotteries, there are many losers compared to the few winners. No one can guarantee a winner. History has shown that the club method (or pooling) of lottery play produces more winning tickets than any other method. Being patient and playing the lottery through a club gives you a better chance of being part of the jackpot prize.

Who is eligible to join Lotto Magic?

Our club has members worldwide. The only requirement to claim a prize in a lottery is that you are 18 years of age (and have a winning ticket!)

Can I play my own numbers?

Yes, however, we don't recommend it. We also will not play your selection if another **Lotto Magic** member has your numbers. This is one of our computerized advantages -- no duplicate numbers among our members. Our computer system also takes into account past winning number combinations -- and does not play them again. According to Gail Howard (author of books on lotteries), past drawn number combinations probably won't appear for another 1,000 to 1,500 years.

How do I know that you are an honest company?

Read the testimonials from our players on the previous page. Some of our members have been with us since our first year! We have operated this club since January 1996 and have purchased every ticket that we claimed. In fact, ticket purchases are kept in our fireproof safe just in case anyone wants to see them!
